Shipment to P.O. boxes or APO/FPO addresses

JCGreening.com will ship to P.O. Boxes and APO/FPO addresses.

Shipment confirmation and order tracking

JCGreening.com ships only by USPS Priority so the customer can be provided a shipment confirmation and order tracking capability through the USPS. Customers can expect a confirmation email when the package has shipped, along with an included order tracking #.

Customs, duties, and taxes

JCGreening.com is not responsible for any customs and taxes applied to your order. All fees imposed during or after shipping are the responsibility of the customer (tariffs, taxes, etc.).

Additionally, orders placed in the store that are shipped to countries outside of the U.S. may be subject to import taxes, customs duties and fees levied by the destination country ("Import Fees"). The recipient of an international shipment may be subject to such Import Fees, which are levied once a shipment reaches your country. Additional charges for customs clearance must be borne by the recipient; we have no control over these charges and cannot predict what they may be. Customs policies vary widely from country to country; you should contact your local customs office for further information. When customs clearance procedures are required, it can cause delays beyond our original delivery estimates.

JCGreening.com is not liable for any products damaged or lost during shipping. If you received your order damaged, please contact the shipment carrier or our support team directly at the listed email below to file a claim. Please save all packaging material and damaged goods before filing a claim.
